TEACHING EXPERIENCE

Assistant Professor of Digital Media, Visual Arts (Tenure Track),
Lyndon State College

Courses Taught: Web Design and Digital Imaging, Motion Design,
Non-linear Video Editing, Advanced Tools and Web Design
Aug. 2008-Present

- Teach a broad range of courses in the BA, digital media, and BFA, animation, programs to freshman thru senior level students.
- Assisting in the development of new digital media curriculum, creating new course offerings, and helping to shape and streamline existing courses.
- Responsible for individual advisement of select students in the digital media program. Serve as the faculty advisor to the campus graphic design club, "Outside the Box." Conduct presentations during college recruitment weekends.

Graduate Teaching Assistant (teacher of record), University of Arizona

Course Taught: Design Studio I

Fall 2007, Spring 2008, Summer 2008

- Taught sophomore level course designed as preparation for application to the BFA visual communications program, and provided instruction about the fundamentals of design including typography, imagery, composition, cropping, and layout.
- Instructed students how to navigate and effectively use industry standard software including Photoshop and Illustrator to create their work.

- Emphasized the design process from beginning to end to the students and encouraged sketches, digital representation, revisions, proper printing, and matting.
- Responsible for grading students based on their understanding of course instruction, project delivery, and class participation.

Adjunct Faculty, Southern Utah University

**Courses Taught: Web Design I, Web Design II, and Digital Imaging
Fall 2005, Spring 2006, Summer 2006**

- Developed interactive multimedia course curriculum and support materials including classroom management and the establishment of student performance measurements, evaluations and critiques.
- Oversaw the instruction of web site design programs, including Dreamweaver, CSS, Flash, intermediate and advanced ActionScript, Image Ready, and Photoshop.
- Facilitated interactive, practical learning by providing a forum for students to work with local businesses.

PROFESSIONAL EXPERIENCE

Madden Media, Tucson, AZ, 06/2007 – 02/2008

Web Designer

- Created graphical designs for user interface of Web sites, eBrochures, iBrochures, e-mail and other eTravel products and marketing campaigns for tourism bureau's of popular destinations like Chicago, Phoenix, Palm Springs, Tucson, and Branson, MO.
- Consulted with the client liaison to evaluate individual project needs, prepared products/designs, checked proofs, and reviewed quality of final product before being released to the client.
- Researched, proposed and implemented new and more effective design and marketing solutions.

**Triestman Center for New Media, University of Arizona, Tucson, AZ,
08/2006 – 05/2007**

Project Manager

- Oversaw, planned, and developed projects at university digital arts research and development lab, which employs cutting—edge technology such as rapid prototyping, 3D scanning, web technologies and virtual reality.
- Invited to make presentations of research and project development to technology panel, at conferences, and to potential clients, on multiple occasions.
- Coordinated with clients requesting digital arts technology; developed ideas; suggested new or modified existing ideas; demonstrated graphic techniques and advised personnel on techniques and methods to use.
- Monitored jobs in progress, resolved technical problems, proofed material, and met project deadlines.

Jeff Case Design LLC, Cedar City, UT, 05/2005 – Present

Contract Designer

- Formed a freelance graphic design company specializing in print advertisements, logo creations, interactive web sites, and business presentations.
- Conceptualized, constructed, and implemented design to meet the needs of clients in varied industries throughout the United States and Canada.
- Clientele includes the Astronomy Department at the University of Arizona, Vidacare Corporation, Vitaid Ltd., Good Neighbor Real Estate & Development, Academy Mortgage, Arbor Senior Care, Certified Insurance Inc. and SketchUp School.

LearnKey Inc., Cedar City, UT, 01/2004 – 05/2005

Flash Animator

- Collaborated with a creative team to produce graphics and movie animations for Network Plus Communications, A+ Certification, and United States Military software tutorials.

- Assumed art direction responsibilities while creating educational software tutorials for the QuickBooks program.
- Increased production by becoming well versed in sound and video editing.
- Designed, built, and implemented Flash tutorials for the Human Resource Department.
